Re: Novak Sanitary Landfill Site
Lehigh County, Pennsylvania

Dear Mr. Diamond:

Per your requests following the Novak Landfill meeting on August 10, 1988, I have enclosed a copy of the Hazard Ranking System (HRS) package for the Novak Sanitary Landfill Site. I also copied the public NPL docket which contains comments on the ranking of the site on the NPL. As we discussed on August 10, 1988, I am only sending copies to you. I have sent the landfill documents (driver tickets, etc.) to our print room and I will forward the copies to you when they are finished. I spoke with Joe Donovan concerning the "index" of documents contained in our potentially responsible party search; at this time Joe would like the "index" to remain enforcement confidential. Please call with any further questions.

Sincerely,

M. J.
